

Need help for your child before the police have to get involved?

Are you worried your child is going to get into trouble with the law for:

- Using drugs and alcohol?*
- Shoplifting?*
- Getting into fights?*
- Vandalizing property?*

Help is available

Call your local youth service professional in your area for more information. They will work with your child to offer support, education, guidance and opportunities for community consequences, in order to help them get back on the right track. Counseling services are available as well.

"... the Diversion program ...straightened me out before I had the chance to get myself into real legal trouble. I feel lucky to get a second chance to be a responsible, mature adult and this program has been very successful in turning my unhealthy habits around." Male - Age 17
